Your Home

Because it's your home, we encourage you to bring in personal items and favourite mementos that mean so much and express your style and life. Residents are assured of quality care with each resident having easy access to a nurse call beside their bed and all beds are electronic for easy care. Our dedicated care team are committed to delivering personalised care and provide on-site support to residents and their families at all times.

Our nursing staff participate in continuing professional development activities. We provide furniture including a wardrobe, bedside lockers including lockable drawers and comfortable lounge style chair.

Whether you prefer a little more privacy or enjoy the company of others, our single and companion rooms let you make yourself at home.

Wyoming Aged Care offers twenty-four single rooms, eight double bed rooms, four 3 bed rooms and seven rooms containing 4 beds. The maximum bed capacity of Wyoming Aged Care Facility is 80.
