**NOTIFICATION #2 – GUILDFORD**

**Residents, Families and Close Friends**

Dear Guildford Residents, Families and Close Friends,

Further to our notification on Monday, July 25, I wish to provide an update on the Covid-19 situation at Hardi Guildford.

Pleasingly, since Monday, our positive cases of Covid, have reduced from 16 cases to 11 cases, with seven residents located in Waratah and four residents located in Acacia.

While the positive cases are across the Waratah and Acacia wings, we are also restricting access (except for Essential Visitors) to Banksia for the current time as a precautionary measure. We are hopeful that we have contained the spread, and will be able to reopen to visitors again soon.

No staff member has tested positive, and we continue to test all staff prior to the commencement of their shift.

We are keeping a close eye on all residents and will continue to test them according to advice received from the local Public Health Unit (PHU). Once we have further results or updates we will be back in contact with you to discuss next steps.

While you are unable to visit at the current time, we ask that you please stay connected to your loved one by phone, your Hardi Connect App or through virtual visits. Virtual visits will continue to be pre-booked, through the facility.

At this time, we ask that if you have questions or concerns, please reach out via email to [covid-19@hardiagedcare.com.au](mailto:covid-19@hardiagedcare.com.au)

**Kind Regards,**

***Shailendra Thapa***  
***Facility Manager***
